VOL. 32 BARIUM SPRINGS, N. C., DECEMBER 1953 No. 1

New Children And Staff Members Added

Four persons have come to the campus to live in the Barium family. Three of these are new and one is returning for a second session. Mrs. Lester Marshall who was here formerly has come again as a housemother and is working with the intermediates and juniors. Mrs. J. W. VanHoy from Harmony, has taken up residence in the Woman's Building and after a period of orientation will be working with the high school students. Miss Oneta Kennerly of Mount Ulla is nearing the end of the period of orientation and finds herself very happy with the smaller children of the campus and will continue to work with them. The newest addition to the adult family is Miss Ruth Cashion who has been employed in Salisbury with one of the newspapers and comes to

Family Night And Christmas Tree

Wednesday night, December 16th, officially opened the Christmas season on the campus. Following the annual tradition, the total family gathered in the large dining room at Rumple Hall. The students, the staff, and all the members of their families, numbering between three and four hundred, found the dining room in festive dress with a large undecorated tree standing in the center. The fellowship of the meal blended all into one unit and after the meal the decorating of the tree was to take place. The custom established long ago of having a

George Neels Now In Cherryville

In September of this year Mrs. George Neel who for a number of years had been supervisor of the laundry at Barium Springs tendered her resignation and took a position in Cherryville, N. C. Her husband had been teaching there and Mrs. Neel expressed the view that it was wise for them to be together and since employment was available this change was effected.

During the time of Mrs. Neel's association with the institution Peggy Neel was a member of the school here and graduated in the senior class. She was editor of the annual and an outstanding basketball player. In addition to the faithful service rendered to the Home, Mrs. Neel distinguished herself as a Christian worker of unusual ability as she was faithful and loyal to the Presbyterian Church, holding the presidency of the Women of the Church just prior to her leaving Barium. Jackie Kuykendall Represents Barium

The princesses who ride in the annual Statesville Christmas Parade are chosen from the County and City Schools of Iredell County. These young ladies appear before the judges for their decision some two weeks before the parade. The judges' choice is then sealed in an envelope and kept secret until the night of the parade. After the princesses have made their tour of the parade route and taken their places on the platform the envelope is opened and the names are announced.

Jackie Kuykendall was elected by members of the senior and junior classes to represent Barium Springs High School, and of course the whole campus was sure that we would have a queen in our midst. In the stiff competition, however, the judges selected Miss Nancy Brady from Scotts High School as Miss Merry Christmas for Statesville, 1953.

Basketball Practice Now Under Way

Basketball Coach, Archie M. Calhoun, has had the boys and girls busy at practice since the middle of November and will be staging four practice games in the month of December. Newton High School and Hickory High School will be the opposition with two of the games to be played on the campus and the other two at the home grounds of the opponents. All of this is in preparation for the regular South Piedmont schedule which will begin after the Christmas holidays.

While it is too early to estimate the strength of the teams or their ability to turn out a winning combination, the coach is confident that he has good material on hand and he has hopes for his boys and

Buses Roll To Shrine Bowl Game

Forty-four boys received invitations from a friend of boys to be his guest at the Shrine Bowl football game in Charlotte. Last year twenty-five boys were invited and their glowing accounts of the afternoon's entertainment had everybody hoping that the same invitation might come again, but it more than came in adding the additional number for those who might attend. It was a grand gesture on the part of the host and a delightful day for the boys who attended. Arriving early at the stadium in order to get seats together, they found themselves in the hands of members of the Shrine who were to see that they had lunch in the stadium before the game. Being on hand early they were able to see all of the festivities from beginning to end and watch the players, many of whom they had played against

THANKSGIVING OFFERING

The Thanksgiving Offering is coming in from the various churches, but early in December it is impossible to tell what the offering will be. Many churches have indicated that additional gifts are to be made, and the treasurers have not had time to send in the reports from Presbytery. Since the Church Year closes with the Calendar Year and all money will be sent in in January, the February issue of the Messenger will carry a full report on the Thanksgiving Offering.

ROBERT ERWIN JACKINS

Jackins Takes New Work In Statesville

In November, 1918, a small boy came to the campus and became a part of the Barium family as a member of the household at Synod Cottage. For the next ten years this lad, Robert Erwin Jackins, was to be busy with many campus activities and finishing his high school career plus an extra year in high school. Somewhere along the way he picked up the nickname, Buck, and the name Robert Erwin dropped out of the picture.

He was captain of the football team in 1927 and finished his school career in 1928. After graduation he was employed at the Home as one of the workers and for the next twenty-five years he was to see service in the cottages, at the dairy, on the farm, on the athletic field, and his last place from which he resigned was in charge of the older boys of the campus and as a member of the coaching staff. In November, 1953, Buck Jackins tendered his resignation to the superintendent saying that he felt it was necessary for "the health and happiness of his family". He asked that his release be made effective as of December 1st in order that he might take up his new duties with a clothing establishment in Statesville.

Mr. and Mrs. Jackins have purchased a new home in Statesville and they together with their three children, Beth, Jo Anne and Danny are now residents of that city. Mrs. Jackins will continue teaching at Celeste Henkel and the children will probably go to school in Statesville. It will be hard to think of Barium Springs without Buck Jackins around and a host of friends and alumni and students who have known him and worked with him and grown up under him will always remember the affable, admirable qualities, and they will cherish the good things that he has done for them individually and for Barium collectively. All Barium Springs, past and present, wish for "Cap" and his family the very finest that life offers and the greatest success in his new line of work.

New Children And

(Continued From Page One)

Barium Springs to begin her work with the boys and girls.

While it takes a year's time for a person to really get adjusted to life at Barium Springs, these newcomers are making themselves very much at home and are becoming a real part of the life of the institution.

In October and November ten new children began their life on the campus. Nine of these are girls and one is a boy. They range in age from pre-school to the seventh grade. In addition to these four more are scheduled for early December - one will be in high school and the other three in the elementary school. Thus it appears at this rate that the spaces available for new children are going to be taken up long before time of graduation rolls around.

The average enrollment for the five year period 1947-52 was 257 children. Any time that the enrollment exceeds 250 the present capacity is overcrowded, and each year we find that overcrowding prevails in all the smaller cottages.

A rather unusual circumstance in the pre-school cottage prevailed last year. Nearly all of the children were ready to begin the first grade and thus were moved out. When August rolled around there was left in the Baby Cottage one little girl and one little boy. There is space in this building for ten girls and ten boys, and at present we have there five boys and four girls. From the first grade through the eighth for boys and girls space is scarce. There is some room in the high school buildings for additional students when applications are made.

Family Night And

(Continued From Page One)

Give-To- Christmas Tree to begin the Christmas season continues. Some person or worthy cause selected in advance by adults and students had been annuonced and every one came bringing gifts. Two large red stockings beside the tree received the money that was brought and the giver was handed a decoration for the tree and then placed it on it. Begining with the little folks with their tinsel placed at the bottom of the tree and the older ones who tried to hang a piece in the tip-top, the procession continued until the whole tree stood glittering in the tinsel dress. The lights having been placed on in advance were ready for illumination; having the dining room in total darkness, someone was chosen for the occasion to light the tree. Then the carol singing which had been continuing through the whole of the procession was concluded with the singing of Silent Night, Holy Night.

After the supper, the Senior High Fellowship presented the Christmas Pageant in the Elementary School Auditorium, inviting all the family and the community friends to share in the service of worship.

Cottage News

Howard Cottage

We had our bicycles fixed last week and we have been riding them ever since. Saturday when it rained we played with our jig-saw puzzel.

Sandra Buss came to Howard and Nancy Farris and Lillian Baucom moved to Rumple Hall.

Our Thanksgiving holidays will start November 25, and end November 28.

The fifth grade is making a Nature Trail in the woods. We made signs and put the names of trees and plants on them. We painted the letters on them and then varnished them so that the water would not hurt he wood.

We have some new workers on our campus now.

—Faye Hicks.

Synods Cottage

Hello Friends,

It has been a long time since you have heard from us, so we'll try to get all the news we can in this short paragraph.

Thanksgiving is a very happy time for everyone at Barium, but we at Synods are especially thankful for all the kind things people away from here have done for us. We'll be getting out of school for two Thanksgiving holidays, and I know the little boys will be looking forward to those days. Of course they are all looking forward to Christmas, and what Santa Claus will bring them. We are all wondering if Santa will come to see us in his helicopter again this year.

The second grading period has closed and we got report cards Monday. Four of the little boys made the honor roll. One of the honors for making the honor roll is to take a bubble bath after school. They are so excited that they can hardly wait to get in the tub and start making bubbles. A few minutes after they are in the tub, you can hardly find them for the soap bubbles. It's a lot of fun to watch them.

Peggy Sellers.

Infirmary

Here we are again bringing you the news from the Infirmary. We have been fortunate to have only a few sick people this Fall. There have been just a few minor ailments.

The boys and girls are keeping up a good average at school and that makes us here at the Infirmary very happy. This attendance has been the best for us in many years. One of the grade teachers made the statement last week that she hasn't had one absentee this year so far.

We at Barium wish to express our many thanks to Dr. Williams S. Kirk of Salisbury for coming two days each week to catch up on our dental work. Also we are gratefully indebted to the older dentists who have contributed so much to our dental work since last December.

During our spare time after school we have been cleaning our building for the Christmas holidays.

We had a very enjoyable Thanksgiving and would like to thank all those who have made this possible.

The campus is buzzing with the excitement of Christmas. The chief topic of conversation is Santa Claus and the coming of the helicopter.

School is out for the holidays the 18 of December and starts back again the 29th.

So long, see you again next month.

—The Infirmary Girls.

es on the campus. Since these boys have been doing this for a number of years, the Barium family would hardly feel that Christmas had come had they not had this visit to the Davidson campus. Three big buses will be ready to roll on the night of the party and will leave immediately after supper. In the two hours of party time the Davidson students and the Barium children will have a glorious time together, then with tummies full and eyelids heavy and with hearts that are happy with laughter, the group will return to the campus for a night of pleasant dreams.

during the South Piedmont Conference schedule.

The game did not end the festivities - two buses rolled down town and unloaded in front of the S. & W. and there for an hour and a half the boys laid away food as only football boys can. The host had made ample provisions for the occasion and picked up the tickets. All he asked was that every man eat all he wanted and have a good time. The total group agrees with the senior of last year who said, "That's the finest thing that has happened to me during my stay at Barium Springs."
